RE: Invitation of Falun Dafa Practitioners

Dear Sir/Madam,

The Mid-USA Falun Dafa Experience Sharing Conference is scheduled from from June 24 to 26, 2005 in Chicago City. This conference is sponsored by the Mid-USA Falun Dafa Association. The purpose is to help Falun Dafa practitioners advance their understanding of the teaching of Falun Dafa through personal experience sharing as well as group discussions. Falun Dafa is a traditional advanced Qigong practice for mind, body, and spirit.

On behalf of the conference organizers, we cordially invite practitioners of Falun Dafa over the world to join us in Chicago and to share experience in cultivation with us.

We are looking forward to welcoming you in Chicago! Please feel free to contact us if there are any concerns or questions.

Sincerely yours,

Zhiwei Xu, Ph.D.
